COMPANY PROFILE

Flexon Cable Industries Pvt Ltd, established in 1998 in Delhi, has been a trusted name in the wire manufacturing industry for over two decades. Building on our extensive expertise and experience, we are proud to announce our expansion into switches, MCBs, LEDs, and distribution boxes manufacturing.

Our journey began with a commitment to quality and innovation, traits that have defined our success over the years. With a keen understanding of electrical engineering and a relentless pursuit of excellence, we have consistently delivered top-notch wire products to our clientele.

Now, leveraging our in-depth knowledge and robust infrastructure, we are poised to revolutionize the electrical manufacturing landscape. Our state-of-the-art facilities, coupled with a talented team of professionals, enable us to ensure the same level of excellence in switches, MCBs, LEDs, and distribution boxes.

At Flexon Cable Industries, customer satisfaction remains our top priority. We strive to uphold our reputation for reliability, durability, and superior performance across all our product lines. With a focus on innovation and sustainability, we are dedicated to powering a brighter future for our customers and communities alike.
